Prayer for the Community and Mission of Dompouse (Ghana)

Oh God, father of believers, you multiply on Earth the sons of the promise, with gratefulness for the adoption and for the Paschal mystery, you did your servant Abraham the father of all Nations, as you had promised. Today we are here before you to entrust the work of the Hospitaller Committee of Africa (CHAF). You raised in the Church, the charism of hospitality, we give you thanks for the seed planted in Africa, so that today as yesterday and forever, we commit ourselves like Abraham, out of our self interests, out of our securities, out of our personal projects to enter into the great Congregational Community project in Africa, where everyone wants to be the actors and the steward in its construction. Grant that we may hear Your voice and follow the example of our Father in faith. We ask you today **for the community and for the Mission of Dompouse (Ghana)** and at the same time we ask the intercession of Mary, Our Lady of the Sacred heart of Jesus, Saint Agustine, Saint Benedict Menni, and of the sisters who have gone before us. Amen.
