- “I want to take this opportunity to congratulate the Congregation of Sisters Hospitallers of the Sacred heart of Jesus as it celebrates the 139th Foundation day. May you all Sisters continue to build on the profound experiences of being women summoned and consecrated by God to follow Jesus Christ, the Good Samaritan-valuing the unconditional acceptance, compassionate care and mercy to others.

And may God give us the grace to live fully the mission entrusted to us and to do so in more meaningful ways for today's reality. Again Happy 139th Foundation Day!"
