- “Wishing all the sisters of the Hospitallers of the Sacred Heart Jesus both near and far my congratulations and blessings on the 139 anniversary of your Foundation. Keep up your exceptional work following the footsteps of St. Benito Menni”.

#### **Mrs Pauline Taylor, Benefactress & friend**

- “Since being founded 139 years ago on the 31st of May, the Congregation of the Sisters Hospitallers of the Sacred Heart of Jesus has retained its clear focus in providing care for others. And, during these challenging and uncertain times, it remains a reassuring and reliable constant for all of us. Although we may not all be together in our usual workplaces during this time, we continue to help each other the best way we can. On Sunday 31st May, I will take a moment to celebrate the 139th anniversary and give my thanks to all of the hard work that the congregation does”.

#### **Steven Cadman, Provincial Finance Assistant**

- “Father Menni tells us in one of his letters (L. 668), “our Mother promised him her kind, maternal powerful assistance which comes from the Divine power of Jesus”. With full trust in this maternal assistance of our Lady of the Sacred Heart of Jesus, especially in these difficult times, we are all experiencing, we unite ourselves to the whole Hospitaller family to wish everyone a Happy, joyful and fulfilled day on the 139th Anniversary of our Foundation”.
